

Bravo Probiotic

YOGHURT FACIAL MASK

For Beautiful Skin

"Bravo Probiotic is a multi-nutrient super yoghurt that nourishes and revitalises your skin to help return that fresh and youthful look"

Nutrient in Bravo	Benefit for Skin
Vitamin A	Keeps skin looking youthful by combating free radicals that age skin.
Vitamin B1	Supports clear and youthful skin with normal sensitivity.
Vitamin B2	Aids in cell growth and regeneration. Hydrates and moisturizes skin as well as protects it from free radical damage.
Vitamin B3	Supports normal skin cell growth and helps protect skin cells from too much sun.
Vitamin B6	Essential for skin development and maintenance. Moisturizes skin.
Vitamin B12	Supports smooth, even skin. Has skin-lightening properties useful to even out skin discolorations and acne scars.
Calcium	Composes the uppermost layer of skin. Supports moist skin.
Folate	Supports skin health and seems to help protect against sun exposure.
Lactic Acid	Moisturizes, hydrates, and nourishes dry skin. Keeps skin looking youthful by combating free radicals that age skin.
Magnesium	Help maintain skin elasticity
Zinc	Slows down aging by fighting the free radicals that cause wrinkles by stealing oxygen from healthy skin cells.
Lactoferrin & immunoglobulins	Immune support molecules that support healthy skin.

Instructions for use of Bravo Facial Mask

- Use Bravo yoghurt kit final product or Bravo premade capsules.
- Wash face with lukewarm water in preparation.
- Then rub Bravo onto skin and leave on the face for 30 minutes.
- Rinse off with lukewarm water.
- Feel the freshness, then see the beauty.

Nutritional Values of 1 Bottle and 1 Sachet	
Energy/Caloric Value	15 kcal/62 kJ
Protein	1.3 g
Fat (saturated fatty acids)	0.3 g
Carbohydrates (sugar)	1.7 g
Fibre	0.1 g
Salt	< 0.1 g

Contents of 1 Bottle	
Colostrum (cow)	5.7 g
Lactobacilli	4×10^9 Colony Forming Units
Bifidobacteria	1×10^9 Colony Forming Units
